Dear sir/madam,

I am pleased to recommend **Miss Siham Kassim** for your internship program or an opportunity within your organization. As her instructor for *Database System* and **Formal Method of software Engineering**, I have been impressed by her technical skills and dedication.

Miss **Siham** has successfully completed a project involving *Library Management System servlets*, combining back-end programming using tools like **MYSQL** with front-end technologies like HTML, CSS, and JavaScript And also E-shopping platform using microsoft sql .She is proficient in **Python, C++, and Java,** and her coursework includes Electrical Engineering courses.

I strongly recommend her for your program and am confident she will excel. Please feel free to contact me for further details.

Sincerely

Dr. Getinet Yilma (PhD)

Assistant professor in Department of software Engineering
